Counselors are available and accepting new clients.

The Heico Companies is providing employees and their families access to a network of licensed counselors.

Your mental health matters. Talking to a licensed counselor can help you cope with any emotional turmoil you're experiencing, including feelings of **depression, stress, and anxiety**.

The META Teletherapy & Wellness app connects you to a network of available licensed counselors accepting new clients.

It's easy to get started:

1. Download the free app: meta.app/users.
2. Include "Heico - 'your company' " in your META profile
3. Connect to a counselor of your choice for private, secure counseling sessions.
